## Rudraksh Cap-Tech LIMITED Becomes The BSE Listed company First time in India for Philately & Numismatic

Rudraksh Cap-Tech LIMITED a highly trusted buyer of Indian Stamps/Rare Coins and Historical Newspapers/Autographs recently announced that they are proud to be the first BSE Listed company in India for Philately & Numismatic. The step was taken to ensure that people can put their utmost trust in dealing with Rudraksh Cap-Tech LIMITED.

Talking about their current and future plans, the company spokesperson said: "The Financial Advisory and Capital Investment Patterning will Play a Crucial role in the Profitable operations of the Company but the Board of Directors has Contemplated the Future Plans to diversify into the internationally acclaimed business of Philately & Numismatic and Collecting Stamps, Coins, Historic Newspapers and Antiques for buying & selling, not only that, We also plan to start Advisory / Consultancy for Stamps / Coins and Antique Items."

Rudraksh Cap-Tech LIMITED understands that trust and reliability are two of the most important aspects of business, they believe that as the buyers it is their job to assure that they are dealing with a dependable, honest, experienced and reputable firm, whose ultimate goal is to achieve a win-win situation for both parties.

According to the advice shared by Rudraksh Cap-Tech LIMITED Philately & Numismatic experts the search for a reliable trusted buyer of Indian Stamps/Rare Coins and Historical Newspapers/Autographs can be started by searching online and asking and reading about them in different online directories and collectors' forums, because many experts and experienced collectors also frequent such forums to share information and discuss matters. Referrals from friends and family who have previously dealt with such services is also a good place to look for information. A good philately and numismatic firm will be clear and upfront about its information and the people that work there, today many companies have taken their business information online and thus their information is easily available allowing people to do their research before engaging into any dealing with the buyers or
