[Prev Article](#) ALEXANDER Stamps and Coins Ltd is the E-Commerce marketplace to trade Stamp and Coins, Paper Money, Medals, Post Cards, Rare, Original Photos, Autographs and Rare & Historical Newspapers at most economical prices. It provides maximized opportunities and opens new doors for authentic collectors, buyers and sellers. One of the brains behind the success of ALEXANDER Stamps and Coins Ltd is **Mr. ANIRUDH SETHI**. Visionary **Mr. ANIRUDH SETHI** see bright future for company” and India’s first Listed Philately and Numismatic company at BSE. **ANIRUDH SETHI** resides in Baroda, having one of the largest collection of Gandhi Original Photographs and Historical Newspapers-Largest in Asia.

When is the absolute point in time to sell coins or stamp collections? This may possibly be a dumb question if asked to the collector, however, timing really does make a big difference. There are times when a collector wakes up in the morning and suddenly makes a decision to sell his precious collections collected over the years. There are also times that a collector needs to yield up his collections due to private reasons and the concept of selling his precious collection may be the most arduous part.

Once a collector has decided to sell his coins and stamps he must

consider if it is really the right time to sell. Where to sell? Is the collector ready to give away his coins and stamps? Is the item at a higher price now? Will it do well and will he benefit from selling it? ALEXANDER Stamps and Coins Ltd provides answers to these questions.

ALEXANDER Stamps and Coins Ltd is India's first philately and Numismatic company, Traded at BSE. They deal in stamps and coins, Auction, and collector of Historical Newspapers. They make other options available to determine where a collector could sell his coins. He may want to sell the items at auctions. Many people are now opting of putting their belongings up for auction and this is not restricted to arts and collectibles as before.

With them, There is furthermore a higher probability of having the items sold at a higher price since auctions include bidding processes. Buyers may bid for a higher price, especially if the coin or stamp being sold is of rare quality and has a higher value.

They provide the easiest way for collectors to search for these items. In addition, advertising on their platform will make the selling an easier task.

Company's stock will be listed at Germany soon and Company planning for plain Vanilla IPO at Europe Market soon.

Many International Investors ready to Invest big once listed at Europe.
