	<p>The company's operation is in the area of purchase and sale of artistic, aesthetic things, products, drawing, literatures, journals, newspapers, rare gold & silver coins and other items of specialized nature. Management use to purchase & sale stock in trade from retail customers and sometimes from Individuals and corporate having huge stocks. It was very difficult for audit team to identify and analyzed authenticity of the product purchase by the company. These involve significant judgments and experience to determine authenticity of the product and it's price. The company makes all the purchase and sale transaction on approval of Managing director of the company as he is having wide experience in the same field.</p>	<p>area among others to obtain sufficient appropriate audit evidence: We have verified the stock held for trade. We have verified sales and purchase Invoices. Audit team has verified GST returns with sale made. We have taken confirmations from some of the parties as a part of external confirmation. Emphasis of Matter

1. Revenue from operation and purchase of traded goods:

The Company is in trading business of buying and selling of artistic, aesthetic things, products, drawing, literatures, journals, newspapers and so on, but the majority of the transaction is routed through cash purchase (Purchase of stock in trade) and cash sales (Revenue from operation). We repetitively inform management to keep record of identity of all transactions made through cash. We are unable to cross verify said transactions because of lack of availability of records. Below is the statistics of past 5 years revenue form operation (Sales)and holding of stock in trade (Closing Stock) which also shows tremendous decrease in sales and huge building up of a stock in trade.

Sr. No.	Years	Sales in Rs.	Closing Stock in Rs.
1.	2016-17	8,40,59,150	2,39,07,576
2.	2017-18	5,06,38,090	14,37,19,179
3.	2018-19	1,03,20,851	14,92,81,826
4.	2019-20	43,63,167	14,92,81,826
5.	2020-21	75,99,204	15,38,46,806
6.	2021-22	1,31,07,211	16,43,41,806

Company is keeping huge amount of stock and of a special nature, we strongly believe that management should keep perfect record of stock and made appropriate system to keep at safe custody with custodian. Physical stock verification time to time is also desirable. Furthermore company has not taken insurance of the stock in trade which also creates huge risk on company's financial position.

Looking at the working pattern, margins earned and assets held by the company, we strongly recommended management to give more focus on health of the company's performance and internal control of the company. It shows inefficiency in sales of the company. Also, it increases

operational and financial risk of the company. The company should made efforts to sale off all the stock items appearing in closing stock and make some publicity of their operations in the country. The same is due to lower demand in Market in this pandemic situation. We advise to frame proper mechanism to sale/liquidate long standing stock in trade. Furthermore, company should take valuation report from registered valuer to cross check the value of stock shown in balance sheet as the items in which company is dealing is highly technical and unique. Consider the said fact, we as audit process taken management

representation w.r.t closing valuation of inventory held by the company. As per the personal conversation of the management and managing director of the company, they have more than confident about the valuation part of the company's closing inventory.

2. Loans & Advances:- During the year, by passing board resolution, company has written off Rs.19,80,106.23 because of which profit of the company lowered by the same amount.
3. Borrowings – Company was carrying very old balance of unsecured loan. Company has not provided balance confirmation of loan received from Main Dhal Mills Pvt Ltd amounting to Rs . 4,68,889.00, Linkwise Exports Pvt Ltd amounting to Rs. 18,75,543.00 and for Loan from retired director amounting to Rs.11,92,769. During the year under audit, by passing board resolution, company has written off Rs.36,19,750.00 and credited to profit & loss account resulting into increase in Profit by this amount.
4. Related party Transactions discloser –
During our audit, we have observed below mentioned related parties Transactions.

Sr. No	Name of Related Parties	Nature of Transaction	Amount in Rs.	Relationship of the party to the company
1.	Anirudh Sethi	Purchase of Stock#	40,00,000.00	Director of the company
2.	Anirudh Sethi	Advance to Purchase Stock in trade#	10,00,000.00	Director of the company

Company has purchased goods (Stock in trade) worth Rs.40,00,000.00 from director of the company but we have not been provided with any of the confirmation w.r.t independent valuation of the transaction to determine aram's length price. Furthermore, Rs.10,00,000.00 given to Mr. Anirudh Sethi as advance for purchase of stock.

5. Substantial reduction in shareholding by Promoter director and substantial share holder. During the year, there is a massive reduction in shareholding of the Promoter director Mr. Anirudh Sethi. Below is statistic which shows movement in shareholding pattern of Promoter director which in our opinion is major point to be considered by stake holders.

Shareholders	As At 31 March, 2022		As At 31 March, 2021	
	No. of shares	Percentage	No. of shares	Percentage
Anirudh Praduman Sethi(Promoters)	2,41,727	2.59	9,69,147	10.41

Other Information

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon. The annual report is expected to be made available to us after the date of this auditors' report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. When we read the annual report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take necessary actions, as applicable under the relevant laws and regulations.

Responsibilities of the Management and Those Charged with Governance for the Standalone Financial Statement

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In Preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Standalone Financial Statement.

Our Objective are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but

is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As a part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation;

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit;

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards;

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and Regulatory Requirement:

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure I" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
